Dear Parents/Carers

The 3in1 at St Martin's Church is a wonderful resource for Horsley. The building is a central hub that serves the whole community. In terms of our school, it is an integral part of our daily life, used daily for wraparound care, PE lessons, assemblies, lunches and numerous other enriching activities.

The church building is in crisis, as a heating system and repairs to the building are needed. Sadly, the church can no longer afford these repairs. If work cannot be carried out, the long-term future of Horsley School is uncertain.

You are invited to a meeting this Saturday, 13th July, at 10.00am, to find out more, to share ideas and thoughts, and to discuss how we move forward to save this building for future generations of children, as well as other members of the community.

We really hope to see you there, and thank you for your continuing support.

Yours faithfully,

Gary Price
