Dear Parents/Carers

Fasten your seatbelts and prepare for take-off – we're excited to let you know that our class will soon be heading on a school trip to Aerospace Bristol, home of the iconic Concorde! This will support our History topic 'How did we learn to Fly?' and our Science learning about materials and their uses.

During our visit, we will be taking part in a workshop which will Carry out experiments to explore which materials would be best for building aeroplanes.

Our coach will be leaving at 9am, on Thursday 19th March, so we ask that your child comes to school prompt for 8:45am. We aim to be back for the end of the school day. Each child will need to bring a packed lunch and water bottle for the visit. We will wear school uniform as part of the trip.

The cost of this trip is £19.55 per child. We cannot afford to run it without your support. Please make payment and give permission via Parentpay, by Friday 13th March. Any financial contribution will be entirely voluntary, and your child will not be denied a place on the visit should you be unable to pay the contribution. However, the school will not proceed with the visit unless there are sufficient contributions for it to be financed. If your child in is receipt of Pupil Premium funding, the school will subsidise the cost of the trip by 40%.

Thank you for your continued support,

Miss McDermott
