### Curriculum Letter: Autumn 2

Dear Parents/Carers,

Firstly, we would like to say how impressed we have been by the children this year so far. The KS1 team have all enjoyed working with the children, who have shown resilience, enthusiasm and progress in their learning.

As we head towards Christmas we shall continue building on existing learning. We will carry on hearing individual readers as often as possible, but frequent reading at home with your child will really help them to make progress, not only in reading, but with phonics, spellings and writing too. We shall continue to practice weekly spellings in class, and these spellings can be located on the school website within our class hub. This term's spellings will commence on Monday 8<sup>th</sup> November 2021. We encourage practice at home if time permits, to help support reading and understanding of vocabulary alongside practice of new spelling rules.

This term children will continue to do PE on a Wednesday and Thursday.
