Curriculum Letter for Spring 2

Dear parents/carers,

What a fantastic term it's been! The children have been engaged in all sorts of exciting and hands-on learning. They have been writing thrilling adventure stories, exploring science through experiments, and letting their creativity shine in music and art. Next term promises even more adventure, as we continue to explore materials in science and discover the amazing story of 'The First Flight' in history. Our learning will take off with a school trip to the Aerospace Museum, where we'll get to take part in a hands-on workshop and even tour the incredible Concorde! We can't wait to see the children's curiosity and excitement soar!

Additional information:

- PE will take place on Tuesday (outdoor education) and Thursday (ball skills). On Tuesday, please can your child come dressed in forest school attire.
- 'Mystery Reader' will continue every Wednesday at 3pm – please sign up by ringing/emailing the office.

To further support your child at home you can:

- Continue enjoying books together- this can include reading both school books and favourites from home
- Explore Times Table Rockstars using your child's login, starting with the 2s, 5s and 10 times tables.

Thank you for your continued support in helping your child learn and grow - it really makes a difference!
