Curriculum Letter: Summer 2

Dear Parents/Carers,

As we step into the final term of the school year, we have an exciting and enriching summer planned for your children. This term, our learning will come to life with a fantastic trip to 'Copsegrove Farm', where we'll explore nature and build on our science curriculum in a hands-on, memorable way. We'll also be enjoying our much-loved Sports Day, giving children the chance to demonstrate the skills they have learnt in their PE lessons. Alongside all the fun, we'll be gently preparing for the transition to our new year group, helping children grow in confidence and feel ready for the next stage of their learning journey. It's set to be a vibrant and engaging term full of learning and lasting memories.

Important Information;

Tuesday – P.E. – Tennis - with Mrs Everett

Thursday - P.E. – Quick Cricket - with Ms Bell

On these days we request that children come to school wearing their school PE kit.

Wednesday @ 3pm - 'Mystery Reader'

Please do sign up with Julia in the office if you would like to come and read the class a story of your choice.

Please ensure sun cream is applied at home and hats and water bottles are brought to school every day, thank you.
