HANDMADE BAUBLE CHRISTMAS ACTIVITY

We need YOUR help to make our Christmas tree sparkle!
Please make a bauble at home using recycled or sustainable materials -
get creative! Any craft technique is welcome!
Write your name and class on a gift tag and pop your bauble into the
tray by Ms Finlow. Friends & Family are also warmly invited to join in!

Then... Elves (that's you!) will be needed to help decorate our
magical school Christmas tree!
Let's make the tree shine with everyone's creativity!
