

Birthday card competition

School Council is running a birthday card competition. They feel that the current birthday cards we use show unhealthy gender stereo-types. Please use the space on this sheet to design your card, another copy is available on the newsletter. The closing date for the competition will be Friday 26th March and 3 winners will be chosen on the 1st April. These cards will then be used as the cards that the school give to children on their birthday.

Please hand your designs in to the office or email them to admin@horsley.gloucs.sch.uk
