Dear Parents/Carers

During the week of 21st of October we will be celebrating Black History Month at Horsley school with a series of special lessons, workshops and visitors. Our aim is for the week to be a celebration of Black British Culture and the positive impact of Black Britons both past and present. We will also be exploring themes of racism and discrimination in historical and modern contexts. In order for the week to be a success we need your help in the following ways

- Being a mystery reader, reading a book by a black British author
- Coming in to talk to a class about your own Black History hero
- Coming in to talk to a class about your own experiences as a black person growing up in Britain

We would like one of our days to involve careers based learning with our children meeting Black role models from all walks of life. If there is anyone at your work place who would be willing to come and talk to our children about their career please get in touch.

If you would like to help us in any way please email admin@horsley.gloucs.sch.uk

Yours faithfully,
Mrs Vaughan
History Lead
