Curriculum Letter
Spring 2

Dear Parents and Carers,

Welcome back to Otters Class – we hope you had a lovely break!

This term we are going to continue to become scientists, while investigating the plants in our world. As historians, we will explore the time the Romans were in Britain. As we move into the season of Spring, our imaginations will continue to be alight with this terms learning!

To support learning at home please ensure that your child is reading and practising times tables every day – this is essential to the maths curriculum your child will experience this year.

Spellings will continue to be available on the website (on our Class Page) and tested on a Thursday, with the anticipation of being selected from the box to win the IN IT TO WIN IT spelling prize.

Children will need to come to school in their PE kit on a Monday, Tuesday and Wednesday this term.

Information about what your child will learn this half term is in the table below.
