Badgers Class Curriculum Letter
 Autumn 1 2025

Dear Parents/Carers,

Welcome to the start of a brand-new school year! We are very excited for a wonderful term of learning, exploring, and growing together. This term, our school value is *Perseverance*, and we will be learning what it means to keep trying and not give up, even when things feel challenging. In **maths**, we will build our confidence with numbers and practical problem-solving. In **science**, Badgers Class will be observing and describing the weather associated with the seasons, while in **geography**, we will explore our school, playgrounds, and classroom as we learn about our immediate environment. In **RE**, we will begin learning about how Muslims live and explore aspects of their daily lives. This term in **music**, we will develop our sense of rhythm and beat, and in **art**, we will explore line, waves, and multimedia as we learn to express ourselves creatively. **Computing** will focus on online safety and we will begin exploring Purple Mash as a digital platform. **PE** will include Rugby FUNdamentals, helping us to develop our movement and teamwork skills.

Our P.E lessons will be on **Tuesdays** and **Thursdays**; please come to school in your PE kit on these days. Also, please ensure children bring a named water bottle each day, a healthy snack if they wish, and a coat as there will be opportunities for outdoor learning. Additionally, supporting your child by reading daily at home and talking about what you have read will help them grow in confidence this term.

CURRICULUM AREA	UNIT
Value	Perseverance
Class Novel	The Magic Far Away Tree by Enid Blyton
Writing	Baseline Assessment: Recount of summer holidays Fiction: Ending of a story Non-fiction: Recount
