

Curriculum Letter for Summer 2

Dear Parents/Carers,

We cannot quite believe that we are already in the final term of the year! This term will be packed full of fun whilst ensuring the Foxes are Year 1 ready. This half term we are taking a deep dive into our new topic 'Fun at the seaside!' We will be enriching our learning by embarking on a local 'at the seaside' day – more information to follow!

Ways to support my child at home:

- Practice recalling number bonds to 5 & 10
- Enjoying your 'Sharing book' together – talk about the characters, the setting, predicting what will happen next.

Additional information:

- Please send children with a hat to leave at school as we go into the hot weather. On warm days, please apply sun cream before school.
- PE will continue to be on a Thursday; Outdoor Learning continues on a Friday.
