Curriculum Letter: Spring 2

Dear Parents/Carers,

Welcome back to the second half of the Spring term. As we compose this letter it feels as though Spring has finally begun to arrive. We are focusing our learning around growth in nature and exploring our outside surroundings as the weather improves. This term will be another busy one, with exciting extras like World Book Day, a Mother's Day picnic, Comic Relief and parents' evenings. So please keep checking the fortnightly newsletters and reading any text messages for more details.

Tuesday - P.E. – Outdoor Adventure Activities - Mrs Everett & Raffles Forest School – children should wear appropriate clothing and bring wellingtons and waterproofs into school.

Thursday - P.E. – Target Games - Mrs Bell & Miss Graham – Children wear their school PE uniform into school

Wednesday @ 3pm - 'Mystery Reader'

Please do sign up with Julia in the office if you (or another relative) would like to come and read the class a story of your choice.

Please ensure coats and water bottles are brought to school every day, thank you.
