

Friends of Horsley School

Annual waterfight (with cake available to buy):

WEDNESDAY 21st JULY AFTER THE END OF SCHOOL

Bring your water pistols, picnic, dry clothes and cash or card to buy delicious cakes!

Please note that we are sensitive to the fact that for some staff, pupils and parents such an event in the current climate would not fit within their own risk comfort levels and they will not want to participate. We hope that the community will be supportive and respectful of those who make this decision.

If you would like to help by: baking, helping set up the water fight or cake stand in the morning, loaning tables, a gazebo, buckets, beach screens or hoses or helping in any capacity click
