What is the FHS?

The Friends of Horsley School is a registered charity (no. 1149604) dedicated to raising funds for our primary school. We aim to enhance the primary school experience for children by providing items that they would not have without our financial support. Although independent from the school, we aim to work closely with the staff team and wider community to achieve great things for our children!

Your Committee for 2024-2025

We have a new committee for the academic year 2024-2025. We plan to stay in these roles for two years and will pass the baton on after that. Recognising that everyone has busy lives we decided that role sharing was the best way forward for the committee this year.

Chair: Rebecca Hocking and Tanya Wallington
Secretary: Anna Marsh and Rosa Barratt
Treasurer: Lisa Garment, Phil Hawkins and James Turner.

Although we have a central organising team in place, the FHS is a shared responsibility and we welcome support and contributions in any form.

Last year the FHS raised a fantastic £3,638!

WISH LIST

We are communicating with the teachers about a wish list and target fundraising amount for the year. We look forward to sharing this with you soon.

HUGE thanks to Leonie Ranscombe for designing a wonderful new logo for the FHS!

We think you'll agree she's encompassed the school and FHS wonderfully!
