15 October 2020

Dear Parents

As you will no doubt be aware, the Local Authority is advising state schools not to permit visits to primary schools from prospective parents. As you will appreciate, this presents a real challenge for parents and schools; I know that you will understand the importance of visiting different settings, in pursuit of finding the very best school possible: the one which 'feels right' for one's child and family.

In the light of this, we will be working with a professional in the local community to produce a short video to showcase the very best of Horsley Primary. We are intending to shoot a range of footage (e.g. Mrs Barr's art lessons, yoga with Ginny Burbage, PE with James, science lessons in action, etc.). The video will then be made available on the school's website, on the homepage.

I would be grateful if you would let me know by Friday 23<sup>rd</sup> October, via email, if you have any objections to your child being included in any footage.

Thank you for your ongoing support during these difficult times.  
Ever positive.

Yours faithfully

Gary Price  
Headteacher
