

Together we can

Our vision

At Horsley C of E Primary, we seek to nurture respect: for ourselves, for each other and for the world around us. As an inclusive school community, we aim to create independent, emotionally resilient and aspirational learners who are prepared for their place in the modern world. Our curriculum is outward-looking, striving to build a foundation for the future, whilst seeking to nurture children's innate creative potential. Harnessing the collective energy of our community, together we enable every child to shine.

Our 3-year strategy to deliver our vision

The governing body have set out an ambitious strategy for the next three years centred around four pillars:
Curriculum * Care * Character * Consolidation

Implementing the strategy

The Senior Leadership team develop an [annual School Development Plan](#) that sets out how the strategy will be delivered for the forthcoming academic year. Governors hold leadership to account against this plan.

Our Christian values underpin and drive all we do

Thankfulness * Respect * Friendship * Generosity * Justice * Courage * Perseverance * Service * Forgiveness * Compassion * Trust * Truthfulness
