

Summary of Pupil Premium Grant Spending, 2017-18

The Staff at Horsley C of E (VA) Primary C of E are committed to ensuring that all children achieve their potential. We are all aware of the research showing disadvantaged children often fall behind their peers, achieving lower grades throughout their education. This is known as an 'attainment gap' and the purpose of the Pupil Premium (PP) is to 'narrow the gap'. As a result of the evidence, the government introduced the PP in April 2011. Pupil Premium is paid directly to schools.

Objectives in spending Pupil Premium Grant:

- To ensure that children in receipt of Pupil Premium Grant and Free School Meals are fit to learn both academically and emotionally.
- To narrow the gap in terms of attainment for children in receipt of Free School Meals.
- To accelerate progress for children in receipt of FSM.
- To ensure that Pupil's in receipt of the Premium Grant and Free School Meals are able to access all learning opportunities in the school curriculum including life experiences they may experience as part of clubs and education visits.

Who is eligible for the Pupil Premium?

- Those who have been eligible for Free School Meals at any point in the last six years (also known as Ever 6 FSM)
- Children whose parents are currently serving in the armed forces (or have served in the last 4 years also known as Ever 4)

Who is eligible for Pupil Premium Plus?

- From April 2014 children who are looked after will attract a higher rate of funding than children from low-income families. These are children that;
- Left care under a Residential Order on or after 14 October 1991 (under the Children's Act 1989)
- Left care under a Special Guardianship Order on or after 30 December 2005 (under the Children's Act 1989)
- Were adopted from care on or after 30 December 2005 (and are in R to Year 11)
- Have a parent who self-declares their child's status to the school, providing supporting evidence (e.g. adoption order); and where the school records on the October School Census that they have a child who meets the above criteria
