Dear Parents and Carers

We are writing to let you know about an important update to the way financial support will be provided for school trips, clubs, and other activities, for children in receipt of Pupil Premium funding.

The school governors have agreed a new system to help ensure that all children can take part in these opportunities. From now on, the school will contribute **40% of the cost of each activity**, with parents asked to cover the remaining **60%**. We hope this new arrangement will make it easier for families to access the experiences we offer. If you are in a position to pay the full amount, we are very grateful – this generosity helps the school enormously and ensures we can continue offering a wide range of exciting opportunities for all children.

The current arrangements for support for Wraparound Care will continue as last year.

If you have any concerns about paying for a specific activity, please do not hesitate to contact us in confidence so that we can discuss how best to support you.

If your child is not currently receiving Pupil Premium funding but you think you may be eligible, please do take a look at the link below. It explains the qualifying criteria (for example, if parents are in receipt of Universal Credit, Income Support, Child Tax Credit, etc.).

You can also make your application directly through the link. The form is quick and easy to complete, and you will get an instant response confirming whether or not you are eligible. It's always worth checking – even if you're unsure – as this funding can make a real difference to the support we're able to offer your child. If you need any help completing the form, do let the office know.
