Our value this term is: Justice

Wow! It's been a phenomenal week of sporting achievement for Horsley! There seems to be no end to the children's amazing sporting successes. Today, children represented Otters class at the local Y3/4 Quad Kids, which included all manner of athletic events: running, throwing and jumping (they came 10th overall). On Wednesday, the Y5/6 mountain biking team competed against ten other Stroud-based schools. The Year 5 team came 6th and the year 6 team came first. They will be now going to the County final at Hartbury College next term! In addition to this, the Year 5/6 rounders team took part in a local competition against ten other local schools. They came 2nd (losing by a rounder and a half!), but more than enough to qualify for the final, which is also next term at Harbury! This is the third time we have got through to a County final event this year. James from Archway tells us that we are the only school in the area to have achieved this accolade this year! I'm sure you will agree this is an amazing achievement for Horsley. We are getting a reputation for being more than just a bit sporty! Thank you James, Mrs Greig, Mrs Gibson, all the parents who have been supporting with transportation and, of course, all the children who have been utterly fantastic!

Congratulations to this week's special award winners:
Sky, Idai, Max, Pearl, Elwood, Coco and Pippen
