**Curriculum Letter**  
**Autumn 2**

Dear Parents and Carers,

Welcome back to Otter Class!

This term we are going to become Health and Fitness Advisors in science. We will then use this knowledge to fine-tune our skills in food design and technology. As historians we will explore the Stone, Bronze and Iron Ages to help us to answer the question – which one would we rather have lived through? The weather may be getting darker and chillier but our imaginations will certainly be alight with this term’s learning!

To support learning at home please ensure that your child is reading and practising times tables every day – this is essential to the maths curriculum your child will experience this year.

Spellings will continue to be available on the website (on our Class Page) and tested on a Thursday, with the anticipation of being selected from the box to win the IN IT TO WIN IT spelling prize. Children can access these spellings through Spelling Frame using their login details.

**Children will need to come to school in their PE kit on a Monday and Tuesday this term.**

Information about what your child will learn this half term is in the table below.

<i>Curriculum Area</i>	<i>Autumn 2</i>
