Curriculum Letter
Summer 1

Dear Parents and Carers,

Welcome back to Otters Class – we hope your Easter was eggstastic!

This term we are going to continue to become scientists as we investigate the different states of matter. We are going to be developing our skills as geographers while learning about where our food comes from. We will learn how to express ourselves in the form of poetry, whilst also letting our imaginations run wild when writing an eye-witness account.

To support learning at home please ensure that your child is reading and practising times tables every day – this is essential to the maths curriculum your child will experience this year.

Spellings will continue to be available on the website (on our Class Page) and tested on a Thursday, with the anticipation of being selected from the box to win the IN IT TO WIN IT spelling prize.

Children will need to come to school in their PE kit on a Tuesday and bring their swimming kit on a Friday this term.

Information about what your child will learn this half term is in the table below.

Curriculum Area	Spring 2
Topic	The World and Me
Class Novel	<i>The Miraculous Journey of Edward Tulane</i> by Kate DiCamillo
Genres	Fiction: Poetry Non-fiction: Eye-Witness Report
Reading	VIPERS Reading Comprehension
