Dear Parents/Carers

OTTERS' BUSHCRAFT RESIDENTIAL

We were very saddened to receive a telephone call yesterday, from The Bushcraft Company, to inform us that they are cancelling our trip in June. Their letter to parents can be read below, along with their reasons. We will, of course, be issuing refunds to all parents.

To Parents,

It is with great regret that we are writing to inform you that we have had to cancel your Bushcraft trip this Summer term.

This is not a decision we take lightly, but the current economic climate has affected our ability to recruit staff for this season. I'm sure you are aware how staffing has affected the leisure, hospitality and services industries this year and I am so sorry that we cannot deliver an amazing outdoor experience for your children this summer.

We will of course be offering a full refund for the money paid to date, which we will organise with your school.

Again, we are so sorry to the teachers that have put in so much time and effort to organise the trip and the students and parents that were excited for their Bushcraft Adventure.

We would like to reiterate this is a tough decision that we have made as a company and the school has taken no part in this cancellation.

Kind regards,

The Bushcraft Team

On a happier note, we are currently working on an alternative residential option, which we hope to share with you in due course.

We appreciate your patience whilst we try to organise this.

Yours faithfully
Mr Feldon
