

**Curriculum Letter**  
**Autumn 2**

Dear Parents and Carers,

Welcome back to Owls Class! We hope you had a spooky but relaxing Halloween.

This term we are going to be working on our historian skills by looking at the concept of a census. We will continue to become scientists by discovering more about forces. Through our learning across the curriculum, we will be look at how we are all different and how we can use these differences to make an amazing world.

To support learning at home please ensure that your child is reading regularly. Spellings will continue to be available on the website (on our Class Page) and tested on a Thursday, with the anticipation of being selected from the box to win the IN IT TO WIN IT spelling prize. We will continue to set SPaG homework (due in on a Thursday) and maths homework (due in on a Wednesday). If help is needed for homework children can ask in the mornings before registration but this should be done prior to the hand in date.

**Children will need to come to school in their PE kit on a Friday this term and their outdoor learning clothes on a Tuesday.**

Information about what your child will learn this half term is in the table below.
