Dear Parents/Carers

As part of our Geography unit on *Where does our Energy come from?* we will be travelling to FGR on the afternoon of Tuesday 21<sup>st</sup> May. During our stadium tour, we will be covering FGR's green credentials and what they do as a club to help protect the environment, along with the innovative approach they take.

Each child will need to bring a water bottle and raincoat for the visit. We will wear school uniforms as part of the trip.

We would really appreciate help from parents with dropping children at the stadium. Children need to be collected from school at 1.45pm and can be collected directly from FGR at 3pm. There is no need to return to school. Please return the reply slip below giving details of the adults who will be transporting your child.

The trip requires a donation of **£10** per child to cover its costs. We cannot afford to run it without your support. Please make payment and give permission via Parentpay, by Tuesday 14<sup>th</sup> May. Any financial contribution will be entirely voluntary, and your child will not be denied a place on the visit should you be unable to pay the contribution. However, the school will not proceed with the visit unless there are sufficient contributions for it to be financed.

Thank you for your continued support,

Mrs Vaughan and Mr Feldon

I give permission for \_\_\_\_\_ (name of child) to FGR on Tuesday 21st March 2024, from 1.45-3.00pm.
