

Play Gloucestershire

Playful Transitions

Play Gloucestershire is a small Gloucestershire based charity.

Our mission is to transform children's lives using the power of outdoor play. We believe playing outdoors is an essential part of a happy, healthy childhood and at the heart of a nurturing community.

Working with Gloucestershire County Council's Early Help Team and your local schools we invite you to

Get Out & Play!

Play Gloucestershire

What you can expect

We invite you to join us in your new secondary school for a day of friendship and fun.

Our customised and branded vans contain all sorts of active and creative play equipment. You can build dens, play informal sports and active games such as tag, water fights, hide & seek. You can get creative with our art kit, draw a chalk art masterpiece, make HUGE bubbles and so much more.

All session will be outdoors so we suggest wearing clothes appropriate for the weather forecast and you can get wet/sweaty/messy in giving you freedom to join in with as much or as little as you feel comfortable with.
