Dear Parents and Carers

This term your child will be receiving structured lessons in Relationships, Sex and Health Education (RSHE), the teaching of which is now statutory.

Horsley Primary School is now using the SCARF curriculum to teach age-related content. The SCARF curriculum forms the backbone of our PSHE curriculum across the school. Further information about the curriculum can be found on their website: <https://www.coramlifeeducation.org.uk/scarf/>.

An overview of the learning outcomes of year groups is given on the back of this letter. If you would like further information, do not hesitate to contact us. If you would not like your child to receive HRSE lessons this term, please inform your class teacher.

Yours faithfully,

Gary Price

Headteacher/ PSHE Leader

SCARF/CORAM Curriculum

Year Group	CORAM TOPIC/ UNIT	Learning Outcomes – Children will be able to:
EYFS	Pantosaurus resources from the NSPCC website will be used	<ul style="list-style-type: none"> Understand that each person's body belongs to them, and the difference between appropriate and inappropriate or unsafe physical, and other, contact Understand the stages of growth
