

Horsley School

Impact of Sports Funding

2016-17

### **What did we want to do?**

1. Continue to increase participation and opportunities so that children can take part in a greater variety of sports, both within the curriculum and at after school clubs.
2. Increase competitive sports, within school and with other schools locally.
3. Training young leaders to support improved sporting activity across the school .
4. Improve leadership and management of PE through improved governor links.
5. Further develop resources to improve quality of learning and children's experiences in and outside taught curriculum.
6. New lunchtime club to encourage less confident players to try new sports.
7. New Sports Council to lead games at lunchtime each week.
8. Achieve recognition through the Sainsbury's School Games Award scheme.

### **What did we decide to do? What did we spend PE funding on?**

PE funding for Horsley C. of E. Primary School = £8446.00

1. Employ a specialist coach to deliver 1/2 day per week of PE, focusing on a range of sports, including new invasion games - £1500.
2. Employ a TA to support inter school PE through attending competitive matches and lunchtime training of sports teams - £500.
3. Subsidy of new clubs and sporting opportunities eg archery, gymnastics, tennis- £3500.

4. Contributed to the cost of installing an adventure playground and trim-trail in the school playground £1000.
5. Employing a Shiatsu practitioner to support Breakfast Club and offer regular before-school yoga sessions for children £200
6. Invested in staff training for netball and gymnastics for sustainability of good teaching- £200.

## **The impact of the investment has led to the school achieving Sainsbury's School Games Silver Award, surpassing our expectations of a Bronze award.**

What we have also done:

The increase in sports and activities has benefitted the whole school community and has been supported by additional opportunities throughout the year such as:

1. Pulse Games 2016 to promote Christian values through sport.
2. Developed weekly school mile run.
3. Weekly Reception class walks in woods and local environment.
4. Promoted sports and healthy living through website, assemblies including a pupil talk on her golf hobby.
5. Continuing to award sports trophies and award certificates for achievement and progress.
6. Continued strategic PE planning meetings involving subject area governor and key staff.
7. Continued to raise profile of sports and healthy lifestyle by awarding trophies to individual children at the end of year for achievement and progress in sports.
8. Sports displays in school reflect the raised profile of PE and competitive sports.
9. Up-to-date blog includes reports and photographs of sports events on website,

### **What was the impact?**

1. Increased participation and opportunities in PE and school sport.
  - a. Number of total sports on offer increased to over 20 sports.
  - b. School sport clubs have included multi-sports, gymnastics, hockey, cricket, netball, rounders, archery, dance, tennis and cross country.

c. New sports have provided an increasing variety to appeal to all children e.g. archery, mountain biking, cricket and tag rugby.

d. Sports competitions entered amounted to almost 20 events. New events included mountain biking, panathlon, archery, hockey, netball and gymnastics.

2. Success in competitions, e.g. cross country 2 medals, swimming – one swimmer reached finals and one came 2nd, district sports came 3rd placed overall, mountain biking represented area in Gloucestershire Level 3 finals, hockey won district Quick Sticks level 2 and will be competing in district finals, Tag Rugby won level 2 and went through to level 3 competition.

3. Links further developed with: Nailsworth tennis club and Frocester Cricket club who provided 15 hours free cricket coaching for all Juniors and an after school club.

4. Intra-school events continue in PE lessons taught by the sports coach.

5. Lunch time club is proving a success with children playing their favourite games taught by the sports coach.

6. Sports Council members now lead lunchtime sports for the infants.

7. Meetings have been held with the sports governor and staff members in order to steer progress.
