Dear Parents/Carers

Year 5 Secondary School Experience Day

Sir William Romney's School is pleased to be able to invite all Year 5 children to attend their premises, in order to experience a day of secondary school subjects, such as maths, science, design technology, art, music and French/Spanish.

This has traditionally been a high point of the year for our Year 5 children, and so we are thrilled that this year it is able to go ahead. The details can be found below:

- Date:** Wednesday 23 June
Start time: 9.15am **prompt** at the Sports Hall (children will be met by Mr Dillon, Head of Year 7, for registration)
Pick up time: 2.15pm from the Sports Hall
Clothes: School uniform (PE kit will not be required)
Lunch: Children may bring a packed lunch or purchase from the school café - £3 will be sufficient for the meal of the day and a drink

SWR School is unfortunately unable to provide help with transportation, and so we are asking if parents can arrange to take and pick up their children independently. Children will **NOT** need to come into Horsley School prior to the day starting.

Please indicate on the slip below, whether your child will be attending.

Thank you for your ongoing support.

Joanne Wykes

Child's name:

My child will/will not be attending the SWR Year 5 Experience Day on Wednesday 23 June

Signed: (parent/carer)
