

### Water -Where to start:

- Create a **list** of the things you already know about water.
- Write **questions** about the things you want to find out
- **Plan** the activities you want to do from this sheet.
- **Create** a project fact file or book or powerpoint or video of your project.

### Water and Faith

- Look at how water features in different faiths.
- Read the Christian story of Noah's ark. Can you retell or create a cartoon strip of this story?
- Many faiths believe in supporting a charity. Look at Water Aid to see how water charities benefit the world.
- <https://www.wateraid.org/uk/get-involved/teaching/ks1-resources>

### Rivers

- <https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-rivers/z6qsf4j>  
Using the link above look at the video clip of rivers. What can you find out about rivers in Gloucestershire and the UK.
- Research the wildlife found in rivers across the world.
- Create a labelled diagram of a river

## Water, Water, Everywhere!

A whole school home learning project.

### The water cycle

- <https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-the-water-cycle/zbcmxyc>
- Watch the video above.

Can you make your own version of the water cycle?

You could:

- Draw it
- Paint it
- Use recycled objects to make a 3D model

### Wonderful Weather

- After you have learnt about the water cycle think about the weather.
- What can you find out about rain and clouds?
- Make a rain gauge and keep a daily record of the weather and rainfall.
- Work out the increases and decreases in the rainfall you have recorded.
- Spend some quiet time cloud spotting - What shapes can you see?  
- Can you draw them?

### Water adventures

#### Story writing:

- <https://www.literacyshed.com/something-fishy.html>
- Watch the clip above of a girl finding a magical washing machine portal and entering another world.
- Create a story of your own about a magical portal world. Can you include the theme of water in your story?
- Create a diary entry for the girl in the story
- Learn about what happens to the water in your house by exploring Severn Trent Water website <https://www.stwater.co.uk/about-us/education-zone/education-zone/>
