23 April 2021

Dear Parents and Carers,

We have planned an exciting opportunity for all the children to enjoy an immersive theatre experience based around the planets and solar system. Each class will have an hour long session in the planetarium dome, which will be set up in the church, in a Covid-secure way.

Each session will be tailored to the children's Key Stage and current topic: Foxes and Badgers will learn about space shapes, meteorite handling and the night sky, Otters will find out more about solar system geology and supervolcanoes, whilst the Owls will discover what life is like in other worlds, with links to natural selection.

Details of the visit are as follows:

Date: Monday 10th May
Time: Within the school day
Cost: £5.00

Please note: Due to the use of the church during the day, we will be unable to provide hot school meals. Please ensure that your child comes to school with a packed lunch for this day. Children in Badgers and Foxes may pre-order a free packed lunch if they wish – please complete the slip below and return it to school by Friday 30th April, so that the kitchens have enough time to order provisions.

The trip requires a donation of £5.00 per child to cover its costs. We cannot afford to run it without your support. Payment is to be made via Parentpay by Friday 7th May. Any financial contribution will be entirely voluntary and your child will not be denied a place on the visit should you be unable to pay the contribution. However, the school will not proceed with the visit unless there are sufficient contributions for it to be financed.

Thank you for your continued support.
Kind regards

Miss Kibble

Foxes and Badgers only: I would like to order a packed lunch for my child on Monday 10th May

Name of child:

Ham Egg Cheese Tuna
