13 October 2023

Dear Y6 parents/ carers

The last phase of a Year 6 child's time at primary school is very special. This year, we plan to set up a 'working party' comprising teaching staff and Year 6 parents, so that we can work together to ensure that the children get the best possible send-off.

The first meeting is scheduled for Monday, 23rd October, at 4.00pm, in Owls' Class, and the plan is that the group will continue to meet periodically. If you would like to join the group, please do come along.

If you would like more information, do not hesitate to make contact.

Yours faithfully

Mr Feldon
