03 September 2025

Dear Parents/Carers

This term, Year 6 will be learning how to keep themselves and others safe with a trip to Skillzone in Gloucester on Friday 26th September.

This immersive experience will provide the children with valuable hands on experiences, which allow them to build essential skills that can be applied in everyday life. By the end of the experience children will have a better understanding of safety at home and in the community as well as the ability to make informed decisions that can protect themselves and others in real-life situations.

We will travel by coach and the trip will take place during the morning. As we will be returning during lunch time, each child will need to bring a packed lunch to eat on return to school. We will wear school uniforms as part of the trip.

The cost of the visit to Skillzone is covered by GCC. However the trip requires a donation of £9.00 per child to cover the travel costs. We cannot afford to run it without your support. Please make payment and give permission via Parentpay, by Friday 19th September. Any financial contribution will be entirely voluntary, and your child will not be denied a place on the visit should you be unable to pay the contribution. However, the school will not proceed with the visit unless there are sufficient contributions for it to be financed.

Thank you for your continued support,

Mrs Vaughan
